Get to Know TUNDRA

For the last 20 years, Tundra has grown and evolved while maintaining one singular focus: our customers. Combining the personal attention of a local storefront with the selection and shipping capabilities of a web retailer, we strive to provide the best customer experience and service in the industry.

RESTAURANT SOLUTIONS

At Tundra, we carry everything for the restaurant. Our extensive product offering gives you the flexibility to select products that meet your needs and fit your budget. Visit etundra.com any time to view our complete inventory. Ordering is fast and easy—so you'll be back to focusing on your restaurant in no time.

SAVE WITH PARTS

Our huge parts selection makes it simple to find what you need, but if you want a little help our experts are happy to do the research for you. We'll also share DIY maintenance tips to save your restaurant money.

GROW WITH US

Opening another location? We can help! From single location, independent restaurants to national chains with thousands of locations, Tundra has the experience to support your growth. When you're ready to expand, our in-house design services can assist in developing your concept and putting together an opening package with the right products.
